Some Enchanted Evening Presented by the Scugog Choral Society at Town Hall 1873

More so than any other composer and lyricist who have written for the stage, the songs of Rodgers & Hammerstein have become an integral part of our everyday lives. We sing them in the shower, we dance to them in ballrooms, we hear them on the radio and in clubs and, yes, in the elevators and supermarkets too. We still thrill to them on the live stage in their respective shows, and we teach them to our children. This performance offers the audience a glorious parade of genuine hits.
