PRE-ENGINEERING WORK FOR SCUGOG LINE 6 RECONSTRUCTION

The Township of Scugog is commencing preliminary engineering to establish details required for the future reconstruction of Scugog Line 6 east of Highway 12. This work includes surveying, which could result in the need to gain entry along property lines to locate significant features close to the road.

The survey work is scheduled to begin the week of **January 3, 2012** and is expected to be completed by the end of the month.
