The Township encourages  
recycling whenever  
possible

# What is Adopt-a-Park?

Adopt-A-Park is a public service program whereby a volunteer group contracts with the Township to collect refuse and debris from a designated park area on a periodic basis.

Get involved in Scugog's Adopt-a-Park program, and be a part of the preservation and enhancement of the Township of Scugog's parks system. Volunteer on your own, or with your family, neighbours, community group or business to donate time to take special care of a Township park.

The program is an effective way for environmentally conscious individuals and community groups to show their civic pride by contributing to a cleaner and more scenic park system.

# Why Adopt-a-Park?

Your commitment to the community is crucial in keeping our park system clean, safe and beautiful. As a special 'thank you', the Township will acknowledge your commitment and dedication with an official Adopt-a-Park Sign upon second successful clean up.

## Program Overview and Guidelines

Interested groups and individuals can enter into agreements with the Township, committing them to perform litter and debris cleanup at least twice a year for three (3) years in a specified park. The Township participates in the selection of park to be adopted.

## Volunteer Groups Requirements

- Appoint an Authorized Group Representative and let the Township know
- Give Township Staff 48 hours notice prior to a clean-up
- Work only during daylight hours and when weather conditions are good
- Place filled bags at designated locations and separate recyclables
- Abide by all laws and regulations to safety including wearing appropriate clothing and safety apparel
