

## Notice of Study Completion

### Seagrave Bridge and Bridge No. 9 (Scugog Line 8) Class Environmental Assessment

October 25, 2017

The Township of Scugog, through their consultant AECOM, has completed a Schedule 'B' Municipal Class Environmental Assessment (Class EA) Study for the Seagrave Bridge on River Street, Seagrave (Bridge No. 6) and the Bridge on Scugog Line 8 (Bridge No. 9), both over the Nonquon River.

The preferred solutions are to:

- Rehabilitate the Seagrave Bridge including:
  - Replacement of timber deck and deteriorated steel components
  - Sandblasting and painting of superstructure
  - Concrete abutment and bridge seat repairs
  - Replacement of guiderail and extruder
- Rehabilitate Bridge No. 9 on Scugog Line 8 in two phase as follows:
  - Phase 1 – repair the deck to allow pedestrian / cyclist crossings
  - Phase 2 – when funding is available, rehabilitate the bridge for load limited vehicles by replacing steel stringers, floor beams and pile caps; replacing timbers in abutments and wingwalls and replacing guiderail and barrier walls.

A Project File Report (PFR) has been prepared to document the study process and conclusions. The PFR is available for public review online at:

[www.scugog.ca](http://www.scugog.ca)

As well, a hard copy can be reviewed at:

Township of Scugog  
Community Services Department  
181 Perry Street, Port Perry  
Monday to Friday. 8:30 am to 4:30 pm

Scugog Memorial Public Library  
231 Water Street, Port Perry  
Mon, Wed, Fri 10:00 am to 6:00 pm  
Tues, Thurs 10:00 am to 9:00 pm  
Sat 10:00 am to 5:00 pm  
Sun 1:00 pm to 5:00 pm

Anyone with an interest in the study is encouraged to review the PFR and provide comments to the Township of Scugog. If any concerns regarding the project cannot be resolved with the Township of Scugog, a person or party may request that the Minister of the Environment and Climate Change make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses Individual Environmental Assessments. Requests must be received by the Minister by **November 30, 2017**, with a copy sent to the Director, Environmental

Approvals Branch and the Town's Project Manager at the addresses below. If there are no requests by this date, the Township of Scugog may proceed with the detailed design and construction of the project, subject to the steps to implementation identified in the PFR prepared to document the Class EA.

For further information about the Project or the Municipal Class Environmental Assessment process, please contact Carol Coleman via the information provided below.
