

Minor Variance Guide & Application

Minor Variance Guide & Application

The Committee of Adjustment is appointed by Council and consists of citizen members. If an applicant wishes to use or develop their property in a way that does not conform to the requirements of the Zoning By-Law, but meets the general intent, they can apply for relief through submission of a minor variance application.

Submission Requirements

The following supplementary and supporting documents and materials may be required to be submitted with a Minor Variance application as determined at the pre-consultation stage:

- ☐ One copy (11" X 17") of a survey or sketch prepared by an Ontario Land Surveyor or other professional that clearly identifies the following in **metric** units:
 - Parcel of land subject to the application, including any easements
 - Building dimensions, height and size of all existing and proposed structures
 - Percentage of lot coverage by all structures
 - Percentage of lot coverage by all accessory structures
 - Location of private well and sewage disposal system (if applicable)
 - Any trees to be removed/replaced as a result of proposed construction

Note: Additional information and material may be required in response to a particular development proposal, or raised through the review process. **Additional sets** of these documents may be required to accompany the application upon submission.
