

## Notice of Construction McKee Road Rehabilitation

June 12, 2023

---

The Township of Scugog has contracted Young's Construction to rehabilitate McKee Road from Cartwright East Quarter Line to 400 meters east of Cartwright East Quarter Line. The work involves removing the existing surface, improvements to the ditches, seeding disturbed areas and asphalt paving.

The work is tentatively scheduled to begin July 5, 2023 and is expected to be completed by August 2023.

During the construction period, the road will be restricted to one lane of traffic as required. Access will be maintained throughout construction with minor interruptions as needed to facilitate construction.

Project updates, traffic routes, and other pertinent information will be posted on the Township's website under *Live and Play, Roads and Sidewalks, Notices of Construction*. Additionally, you may wish to follow our Facebook page or Twitter account for additional updates.

If you require further information or if you have any questions related to this project, please contact:
